

CHARGE UP YOUR NEXT ADVENTURE.

\$1,697

Bringing solar power to the great outdoors.

The Adventurer 600 is a do-it-yourself solar kit that provides power for items up to 1200 watts. It will charge devices from mobile phones to appliances such as a microwave or hair dryer. This solar kit is versatile and can be used in countless ways to meet your specific charging needs.

COMPONENTS

- Three (3) Solar Panels
- One (1) Charge Controller
- One (1) Inverter
- Two (2) Inline Fuses
- One (1) Wiring Kit
- Twelve (12) Mounting Brackets

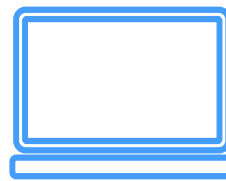

Battery is not included with the Adventurer 600. You can purchase the 100ah battery at a local store or through Sunbolt.
